### Site Check Waiver Request STATEMENT OF COMPLIANCE:

I / We understand this request is to waive your department's preliminary site inspection prior to permit issuance. The purpose of this inspection is to identify any special site specific circumstances such as drainage, expansive soil conditions, high ground water, unstable soil, foundation or other concerns that affect the project's design or scope of work.

I / We certify that, to the best of my/our knowledge, none of the above conditions exists on the site or, if any do exist, the project has been designed to mitigate them.

I / We acknowledge our responsibility to complete all work in accordance with the requirements of the technical codes and the construction and land use ordinances.

I / We agree to comply with any additional requirements identified by the county building inspector during the construction process.

I / We agree to stop work at the Building Inspector's request and obtain the services of a professional engineer or architect, licensed in California, to design all necessary corrective measures.
